

A Broad Abroad: The Expat Wife's Guide to Successful Living Abroad

Comforting and irreverent, encouraging and practical, Robin Pascoe's book for expatriate wives, the first honest account of the challenges of following a partner's career overseas, is back in print and with a new name. Originally entitled, **Culture Shock! A Wife's Guide**, this updated version has lost none of its original empathetic and honest advice for married women who have been catapulted into a foreign country. **A Broad Abroad** is as essential as an entry visa, packed with emotional and practical support for relocating your life.

"I'm very glad that this honest and supportive book will continue to guide and reassure new generations of expat women. This book was, and is, a landmark contribution to the cause."
— Patricia Linderman, co-author, *The Expert Expat*

About Robin Pascoe

Robin Pascoe is well known to traveling spouses internationally for her humorous, compassionate, and encouraging presentations to expatriate communities, human resource groups, and corporate gatherings around the world. As well as writing countless articles and making many media appearances, Robin has written four previous books on the subject of global living and adjustment. Her personal experiences of packing and unpacking her life, marriage and family throughout Asia as the wife of a Canadian diplomat, were the inspiration for exploring the challenges and joys inherent to the expatriate lifestyle.
